## WORK HEALTH & SAFETY POLICY

---

SpanSet has been manufacturing quality synthetic products globally for over 50 years. SpanSet Australia specialises in manufacturing Height Safety, Lifting and Load Control devices such as harnesses, slings and webbing.

The Health and Safety of those who work directly or indirectly for SpanSet are of the utmost importance to Senior Management, and we are committed to improving health and safety performance within the business.

To achieve our WHS objectives, the following commitments have been made by SpanSet:

- Provide safe and healthy working conditions for the prevention of work-related injury and ill-health, including the provision of ergonomic equipment for our workforce who work from home;
- Identify and fulfil legal and other requirements applicable to SpanSet;
- Eliminate and reduce WH&S risks, so far as reasonably practicable;
- Continually review and improve the WHS Management System;
- Consulting and organising for the participation of workers and where they exist, worker's representatives such as Team Leaders; and
- Ensuring this policy is implemented within the organization and made available to interested parties.

We maintain and continuously improve a Business Management System that complies with the requirements of ISO 45001:2018.

SpanSet's WHS Policy applies to our directors, employees, contractors and to any person or organisation that represents us as suppliers in their activities for and on our behalf.

A handwritten signature in black ink, appearing to read 'K. Pritchett', is written over a horizontal line.
