STOPPA Belt

Product Name: STOPPA Belt

Order Code: EXCEL BELT STOPPA

What is it?

(Product Description):

The STOPPA Belt is a padded waist belt for attachment to the STOPPA System

What can it be used for?

(Intended Function):

The STOPPA Belt can only be used with the STOPPA System.

Who can use it?

(Competence, Size and Adjustment):

The STOPPA Belt has a wide range of adjustment and so can be used by any size of person.

How long will it last?

(Maintenance, Inspection and Lifespan):

The lifespan of the STOPPA Belt is limited by the following;

The product has a maximum shelf-life of 10 years from the date of manufacture.

The product has a maximum service-life of 5 years from the date of first use.

The lifespan may also be reduced by the effects of damage or wear and tear.

The lifespan will cease at the point when any one of these conditions is met.

The condition of the product must be controlled in accordance with BS8437:2005, this requires regular inspections to be carried out by a competent person.

How has it been tested?

(Relevant Standard and Quality Assurance):

The STOPPA Belt is CE marked under the Personal Protective Equipment Directive.

The CE marking process includes independent testing to EN 358 – Personal protective equipment against falls from height.

The SpanSet manufacturing process is quality controlled and audited by the British Standards Institute to the international standard for quality management ISO9001:2008.

What is it made from and why? (Specification and Materials):

- 45mm Polyester Harness Webbing
- Wide and supple providing increased comfort for the wearer
- Highly Chemical and UV resistant providing increased lifespan
- Steel Quick-Lock Buckles

Additional SpanSet Features:

Individual Serial Numbering – All SpanSet Height safety products are individually serial numbered for traceability.

Personal ID Marking – The label incorporates an area for users to add their own personal identification markings.

What paperwork is supplied?

(Product Records and Information):

Multilingual Instructions with pictorial fitting guide

Individual Product History Card – This record card contains all the documentation required to maintain the product. The front forms the European Declaration of Conformity and the table on the reverse can be completed to form the inspection record.

Pocket Inspection Guide – This simple to follow pocket card identifies the key areas requiring inspection.

What training is required?

(Competency):

Although in itself this is a simple item to use, there are 2 stages that should be considered as part of the process as a whole. Training is available for all the stages outlined at the SpanSet training school in Middlewich or subject to suitability on a site of your choice:

Use – STOPPA Training Module for safe use and Inspection.

All training for work at height is conducted in accordance with BS8454:2006 and is audited as part of our ISO9001:2008 quality management system.
